Dear Interested Volunteer,

Thank you for expressing an interest in becoming a Court Appointed Special Advocate. Please find enclosed an application and the requirements for becoming a volunteer and the responsibilities of a CASA volunteer. When you have completed the application, please mail it to the address above or email it to drockey@casa4lanaster.org

All of our CASA volunteers go through a screening process. Therefore, we want you to know that any information found may affect your acceptance into the CASA program. The initial screening process begins with the standard application form, which must be thoroughly completed. The next step is an informal interview. This interview will ask you questions about your experience working with children, your views on raising children, and will ask you some detailed questions about any physical or mental health conditions you may have that could affect your work with traumatized children. This is followed by a check of your personal references in addition to a criminal records check (federal, state, and local), a Child/Adult Abuse Registry check, and a DMV check. The interview will give us an opportunity to meet in person and answer any questions you may have about the program. We will continue the screening process throughout the training classes. All information that is received throughout the screening process will be kept completely confidential and only used for CASA program purposes.

Once we receive your application form, we will call you and set up an interview. Because we cover so much information in training, we can only allow our trainees to miss one training class. If you know you will need to miss more than one class, or if you miss more than one class, we will ask that you attend the next training session or request a make-up session with staff; we hold 5 training sessions per year.

We look forward to hearing from you and appreciate your interest in advocating for the abused and neglected children of Lancaster County. If you have any questions, please give us a call (402-474-5161).

Sincerely,

A handwritten signature in black ink that reads "Dawn Rockey".

I understand that the as a condition of my desire to volunteer with the CASA program for Lancaster County, my name will be checked against local, state and national criminal databases and the Nebraska Department of Health and Human Services Adult/Child Protective Services Central Registers. A check of these registers is necessary to ensure that I meet standards. **I understand I will be given a separate form/process required by DHHS to fill out when I begin training.**

The purpose of this check will be to determine if my name is being maintained on either register as a result of previous abuse/neglect allegations which have been investigated and have not been determined to be unfounded. The purpose of the criminal background check will be to determine if I have a record of felonies or misdemeanors that could deter from my ability to act as a CASA volunteer. **I understand I will be given a separate form required by the background check company used by CASA for Lancaster County.**

To the best of my knowledge, I do not have a conviction or prior history of adult or child abuse/neglect or maltreatment Neither have I been convicted of a crime involving moral turpitude. I further understand that my name will also be checked against local, state, and national databases for criminal activity and sexual abuse offenses. I understand that I can be rejected as a volunteer if found to be convicted of or having charges pending for a felony or misdemeanor involving a sex offense, child abuse or neglect or related acts that would pose risks to children or the CASA program's credibility.
