CASA for Lancaster County Sponsorship Opportunities

What is CASA?

CASA is a local non-profit organization that recruits, trains, and supports community volunteers who are appointed by juvenile court judges to advocate for the best interests of abused and neglected children in Lancaster County.

CASA volunteers get to know the children, the issues surrounding their involvement with the child welfare and juvenile justice systems and write reports that go directly to the Judge providing information about the children's needs and making recommendations for next steps.

CASA advocates for needed services to keep the case moving so that children do not linger long-term in the system.
